Allowable Subject Matter

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The applicant's invention discloses method of encouraging patient compliance with a treatment regimen, including steps for sending first information to a client device, providing second information regarding compliance with the treatment regimen, sending the second information to a server, and comparing the first information with the second information. The closest prior art reference found is Kehr et al (US 5,954,641), which discloses system for managing administration of treatment regimen. Kehr et al discloses a portable device for patients for mainly reminding patients to take medication. In Kehr et al, there is no teaching or suggestion of comparison of information regarding treatment regimen between two different devices in a client-server system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
